With a very few exceptions, this *Pilgrims' Book Order Sheet* does NOT include any of the books listed in our *Missionary Book Order Sheet*. That order sheet primarily includes full-color cover paperbacks, which can be ordered singly or in very low boxful quantities. Most of the books in the *Missionary Book Order Sheet* are generally used for widespread missionary distribution.

In contrast, the books in this *Pilgrims Book Order Sheet* are printed in small print runs in our own printshop (thus costing much more to print and bind), and are generally sold singly or in small quantities. Most topics are of special interest to our own people, and not normally available. A few books in the *Missionary Book Order Sheet* are also listed here. **FOR OVER TWO DOZEN LOW-COST MISSIONARY BOOKS FOR THOSE NOT OF OUR FAITH. GO TO OUR MISSIONARY BOOK ORDER SHEET.**

Prices and shipping costs, listed below, are applicable only on the date listed at the top of this order sheet. Prices are subject to change without notice. Shipping costs are for the U.S. only; foreign would have to add more. If purchased in Tennessee: Add 9.25% tax (.0925 x subtotal = tax). Remember that books in 8½ x 11 inch format contain much more than a regular book over twice that size.
